Khartoum Regency hotel is a 4 stars luxury hotel in downtown .The hotel offers:-  
-Luxurious rooms all with distinct charm. All rooms have new classic furniture, private bathrooms with marble vanity –top, mini-fridge, int'l satellite with over 20 prime channels , int'l telephone dialing, an electronic safe, wi-fi internet connection and data cable free of charge whether in the rooms or public areas, and as well as other amenities that will make the stay of your clients a pleasurable one

-Al-waha and the lobby, are furnished with a unique and yet comfortable seating  
-The (Ebony) our main restaurant where you can enjoy a full buffet breakfast, lunch or dinner or you can choose from our rich menus according to your needs.

The hotel also offers a well equipped conference room which is also suitable for multi –Functions.

It is worth mentioning that during the year 2015 we had taken major renovations in many areas, such as changing the carpet and the window curtains of the rooms

-In the Main restaurant we have changed the Buffet stand into an array of tables made of glass which reflect the cleanness of the buffet set-up area.

- Inorder to have a steady Internet service , we have installed a Sudani 4MPS unit as a plus support for the existing ones Canar unit and Sudani dsl.

With reference to the forthcoming conference of the Int'l Fed. of Takaful & Islamic insurance companies, we are very pleased to offer you the following special prices:-

- Single room US 75 inclusive of tax and breakfast
- Double room US 95 „ „ „ „

Looking forward to serving you.

Sincerely yours

ELZUBEIR HASSAN ABDALLA  
Deputy General Manager
