PD-A.1 Purpose

Executive Summary

PD-A.1.1 The purpose of this Module is to set out the minimum requirements applied by the Central Bank of Bahrain ('CBB') to insurance firms, with respect to corporate and financial transparency through meaningful public disclosures. Such disclosures help protect customers of insurance firms and facilitate market discipline.

PD-A.1.2 The CBB's disclosure requirements vary according to the Category of insurance licensee. Certain categories are exempt from these requirements, because of the limited nature of their business. The scope of application of these requirements is given in Section PD-B.1.

PD-A.1.3 The CBB encourages insurance firms to go beyond the minimum requirements specified in this Module. Further guidance on international best practice in this regard is provided in Chapter PD-3.

PD-A.1.4 In setting out certain detailed disclosure requirements, this Module supports various other parts of the Rulebook, namely:

- (a) Principles of Business (Module PB);
- (b) Authorisation (Module AU);
- (c) Auditors and Actuaries (Module AA);
- (d) CBB Reporting (Module BR);
- (e) Capital Adequacy (Module CA); and
- (f) Business Conduct (Module BC).

Legal Basis

PD-A.1.5

This Module contains the CBB's Directive (as amended from time to time) relating to public disclosure and is issued under the powers available to the CBB under Article 38 of the Central Bank of Bahrain and Financial Institutions Law 2006 ('CBB Law'). The Directive in this Module is applicable to insurance licensees.

PD-A.1.6 For an explanation of the CBB's rule-making powers and different regulatory instruments, see Section UG-1.1.

PD-A.2 Module History

PD-A.2.1 This Module was first issued in April 2005 by the BMA, together with the rest of Volume 3 (Insurance). Any material changes that have subsequently been made to this Module are annotated with the calendar quarter date in which the change was made: Chapter UG-3 provides further details on Rulebook maintenance and version control.

PD-A.2.2 When the CBB replaced the BMA in September 2006, the provisions of this Module remained in force. Volume 3 was updated in January 2007 to reflect the switch to the CBB; however, new calendar quarter dates were only issued where the update necessitated changes to actual requirements

PD-A.2.3 A list of recent changes made to this Module is provided below:

MODULE	PD: Public Disclosure
CHAPTER	PD-B: Scope of Application

PD-B.1 Scope

PD-B.1.1 The contents of this Module apply to both Bahraini insurance firms and overseas insurance firms.

PD-B.1.2 The disclosures required generally relate to all the corporate activities of the licensee concerned, including activities undertaken outside Bahrain through overseas branches or an overseas head office. Specific rules and guidance in this respect are included in Chapter PD-1.

PD-B.1.3 Where licensees are part of a group, then certain disclosures also require information relating to the licensee's subsidiaries, parents and affiliates. Specific requirements in this respect are also included in Chapter PD-1.

PD-B.1.4 This Module does not apply to captive insurers; insurance brokers; insurance consultants; insurance managers; and appointed representatives.

PD-B.1.5 Captive insurers for the most part expose only connected counterparties to financial risks. The remaining categories listed in Paragraph PD-B.1.4 pose limited financial risk to policyholders because of the limited nature of their activities.
